## Directions from the Mass Pike (Route 90) or Route 9

Notice the small red "Warren Conference Center" signs (with white graphic of a tree) along the route. These signs may be followed until you reach Larcridge Lane — the center is only 1/4 mile beyond that point.

- Exit 12 from Mass Pike to Route 9 East (towards Framingham). Take **RIGHT** at first set of lights (Country Club Road at Edgewater Apts.) Turn **LEFT** at "T" onto Gates Street.
- At second **STOP** sign, make a 90° **RIGHT** onto Badger Road. (Take care not to take the the 30° right—Badger Rd. is bordered by large stone wall on left and a white estate on right.) Continue 3.1 miles (pass Mill Pond waterfall on the right, then the road curves to the left becoming Main Street in Ashland Center).
- After passing through 4 sets of traffic lights, cross Rt. 135 and continue past Kidde Fenwal plant and up the hill.
- At the top of the hill, at traffic lights, make a **RIGHT** on Chestnut Street (follow directions to Town Hall on small yellow sign). Larcridge Lane is the third left (just after long curve). We are located at the end of the street (number 38).
